

2010 Sheridan-Buffalo BLN Special Event!

1st Annual Diamonds in the Rough

Each year the Sheridan-Buffalo Business Leadership Network hosts a **Business Leadership Awards Event**. This fall in tandem with our awards it is our privilege and pleasure to bring **Kate Adamson** to our community. In 2010 we proudly host "Diamonds in the Rough - a Time with Kate"!

- WHAT?** 1st Annual "Diamonds in the Rough"
WHEN? Tuesday, September 28, 2010 ~ 6:00 – 9:00PM
WHERE? The Shrine Auditorium, 117 West Loucks, Sheridan, WY

Featured Guest Speaker:

Kate Adamson inspires audiences from coast to coast with a mesmerizing, inspirational presentation regarding her unique personal experience. Kate shows us all how to overcome personal and organizational paralysis with simple techniques which combine professional focus and spiritual disciplines. **Against one-in-a-million odds, Kate overcame total paralysis from a devastating double brainstem stroke.** Today she brings audiences to their feet in enthusiastic appreciation and moves them to action with focus, determination and courage.

Kate focuses on the challenges we face. She helps each organization or individual set the goals they are trying to reach by identifying the problems which are stopping them from where they want to go. She speaks about what is stopping all of us **proving that we can achieve the impossible by simplifying issues and focusing on what we have**, not what we don't. She speaks not from theory, but personal experience. Once considered dead – her life not worth saving – she now travels the country as **the only professional speaker to have recovered from Locked-In Syndrome**, touching audiences large and small, corporate, private, church and secular. Once unable to speak she now speaks for those who cannot speak for themselves.
