Consent and Release

I hereby request and grant permission to Memorial Hospital of Sheridan County to draw blood from me for purpose of performing a set of standardized laboratory tests on that sample. I request and authorize Memorial Hospital of Sheridan County to obtain those laboratory results and forward them to me.

I understand that I am responsible for forwarding this information to my personal physician or other source of health care and that the Memorial Hospital of Sheridan County is not practicing medicine, proposing diagnoses, or recommending medical treatment, but merely acting as a resource to provide me this additional information. I understand that should I become ill, have any complications, or have any questions regarding my health, I should contact my usual source of health care. I do not hold Memorial Hospital of Sheridan County responsible in this regard. In the event of an accidental needle puncture, I consent to any routine blood testing deemed necessary for the safety of the phlebotomist.
