**SHERIDAN MEMORIAL HOSPITAL FOUNDATION ANNOUNCES  
2011 OFFICERS AND NEW DIRECTOR**

The Sheridan Memorial Hospital Foundation recently announced the election of officers for the Foundation and one new member of the Foundation Board of Directors.

Officers for the current fiscal year are Kevin Bailey, President; Shirley Yager, Vice President; Debbie Iverson, Secretary; and Rick Rossa, Treasurer.

One new board member was named for a three year term, Mary Ludemann, "I am honored to be asked to serve on the foundation. It is a great time to become a part of an organization that is accomplishing so much for the Sheridan community and its health needs." President Kevin Bailey welcomed Mary to the board and had this to say about her, "We are extremely pleased Mary is joining the Hospital Foundation Board. Mary and her husband Scott are dedicated community volunteers and we are very fortunate to have them as part of the Sheridan community." Mary replaces retiring board member Everett Mohatt. Mohatt served six years and was an instrumental volunteer throughout that time, involved with projects such as the new Griffith Emergency Department, the Watt Dialysis Center, and the Welch Cancer Center.

Other members of the eleven-member board are Gene Davis, Dr. Walt Gould, Bill Huppert, Mike McCafferty, Jill Mitchell, and Dr. Tom Richards.

The Sheridan Memorial Hospital Foundation's mission is to cultivate community involvement and support the hospital's vision, "When people think of excellent healthcare, they think of Sheridan." The Foundation was established in 1976 with the purpose to raise awareness and funds for healthcare projects at Sheridan Memorial Hospital. The Foundation has enjoyed strong community support and growth since its inception. Currently the Foundation is assisting with fundraising for the Hospital's new Welch Cancer Center.
