

Sheridan Memorial Hospital Education Calendar September 2008- August 2009

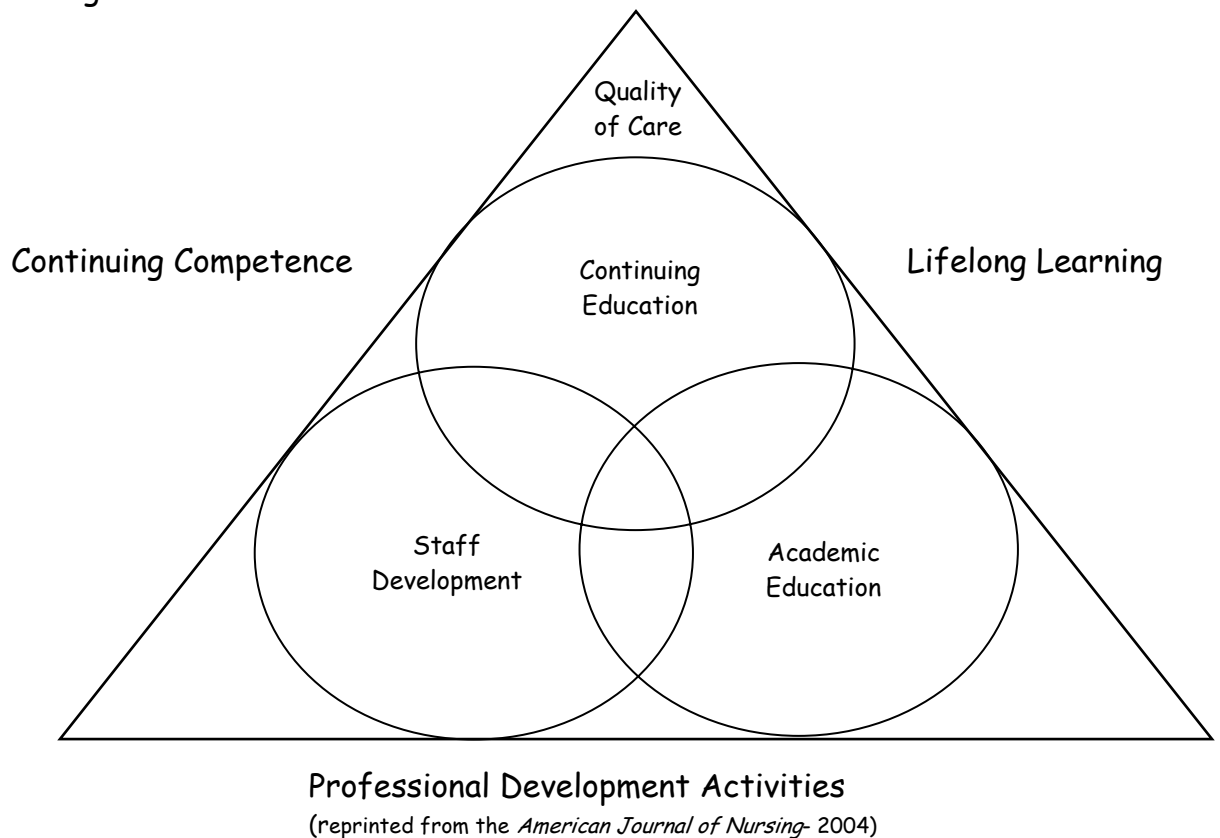

Vision: A partner enhancing continuous learning.

Mission: Dedicated to the provision of accessible, relevant learning opportunities.

Values:

- Committed to life-long learning
- Responsive, creative, evidence-based learning opportunities
- Partnership and collaboration
- A self-directed approach to learning
- Cost-effective services
- A positive approach to change
- Appreciate the diversity of learning styles
- A hospital-wide approach to clinical nursing education

Guiding Framework:

To register for any course please call (307) 672-1022

Registration Information

Please *register* for all courses by calling **(307) 672-1022** or **1022 in-house**. There will be a standard voice mail message asking for your name, the course for which you are registering, the date the course is running and a phone number where you can be reached. The SMH Education Calendar is also available on our website @ www.sheridanhospital.org

YOU ARE CONSIDERED REGISTERED IF YOU DO NOT RECEIVE A CALL BACK. IF THERE IS NO SPACE IN THE CLASS OR THE CLASS IS CANCELLED, YOU WILL RECEIVE A CALL TO NOTIFY YOU. A wait list may be formed if applicable.

The Education Department reserves the right to cancel a course if minimum numbers are not met. If the class is cancelled, you will receive a phone call.

NON-Sheridan Memorial Hospital (SMH) registrants: If you are a non-SMH person registering for a course, you are not considered registered until your fee is received. Checks can be made payable to Sheridan Memorial Hospital. Registration fees will not be returned if you cancel after the registration deadline (2 weeks prior to course date) or you are a no-show to the course.

Directions to the Hospital: Highway I 90 take Exit 23 (5th street) toward Sheridan and continue on 5th for approx 3 miles until you see SMH on your right.

PARKING: Access the back parking lot via Kentucky Street access (Welch Cancer Center).

*You will receive a receipt for registration fees at the course.

Conference Room Locations:

Conference Room A, B, C: lower floor in the hospital cafeteria area.

Board Room: 3rd floor. Stop at the switchboard operator's desk for direction.

IS Training Room: lower floor-east, toward the MAC building.

Manual Sign-Out:

For those courses requiring pre-reading, manuals have been purchased by SMH to decrease the cost to participants and encourage the sharing of resources.

Please sign out the required manual (and, if applicable, CD Rom) from the **House Supervisor's Office (1st floor-Room 120, across from Pharmacy). Call 672-1021 or 672-1179.**

A payroll deduction form will be completed on sign out if you are SMH staff and an imprint of a credit card will be required if you are not staff.

Manuals should be returned within 7 days after the course date. **Unreturned manuals will be charged to the person who signed it out.**

Abuse and Neglect-Part II

Purpose: Part II is an in-depth look at our role as health care providers to detect signs of abuse and neglect. The course also includes Wyoming statistics, interviewing and prevention strategies.

*Part I is covered in clinical orientation (see page 19 of this calendar) and includes the following:

- Understand the definitions of abuse and neglect
- Become familiar with Abuse/Neglect Policy & Procedure
- Increase knowledge of the Department of Family Services Roles and Mission
- Understanding mandatory reporting and your role as a healthcare provider

Facilitator: Social Services/Quality Dept

Target Group- All nursing staff and/or other clinical staff who work with patients and their families

***This course is considered *mandatory* for new nursing staff at SMH and is part of clinical orientation.**

Advanced Cardiac Life Support (ACLS) Course-Certification

Purpose: ACLS is a two-day course designed for health care professionals providing acute care to cardiac patients. Emphasis will be placed on pharmacological and electrical interventions utilized to stabilize the cardiac patient in the critical intervention period. ACLS is a two-year certification course.

Prerequisites:

Must have a current BLS CPR card and Lead II interpretive skills (***recent completion of the Basic Cardiac Course is recommended for those not familiar with Lead II Interpretation**). Pre-reading is required as well as a pre test must be completed using the interactive CD Rom that's provided with the text. Please bring your BLS certification card with you to the class.

*Manuals with CD Roms can be signed out from the House Supervisor's-Office (1st Floor room 120) by calling 672-1179 or 672-1021.

Target Group: MD, RNs, RTs, EMT-P, EMT-I & B, LPNs

Facilitators: Certified ACLS Instructors

Dates/Time/Location:

November 5 & 6, 2008 0800-1615h VAMC Educ Classroom (Bldg 7)

May 19 & 20, 2009 0800-1615h VAMC Educ Classroom (Bldg 7)

Fee: SMH employees: none *registration at 1022 is REQUIRED

Non-SMH only: **Call Jean Holwell at VAMC (307) 672-3473 Ext 3017 to register.

"Happiness is a butterfly, which, when pursued, is always just beyond your grasp, but which, if you will sit down quietly, may align upon you."

-Nathaniel Hawthorne

Advanced Cardiac Life Support (ACLS) Course- Recertification

Purpose: This one-day course is offered for current ACLS card holders to **update** their ACLS certification.

Pre requisites:

Must have a current CPR-BLS for Health Care Professionals card, a current ACLS certification card and basic lead II interpretive skills. (*recent completion of the Basic Cardiac Course is recommended for those not familiar with Lead II Interpretation). **Please bring your certification cards with you.** It is recommended that you have taken the 2-day certification level twice before taking a recent course. Pre-reading is required as well as a completed pre-test via the interactive CD Rom.

* Manuals & CD Roms can be signed out from the House Supervisors-Office (1st Floor room 120) by calling 672-1179 or 672-1021.

Target Group: MD, RNs, RTs, EMT-P, EMT-I&B, LPNs

Facilitator: Certified ACLS Instructors

Emergency Nursing Pediatric Course (ENPC)-Provider Level

Purpose: ENPC was developed by the Emergency Nurses Association (ENA) to educate registered nurses on caring for acutely ill and injured children. The course teaches participants to recognize the ill or injured child and identify significant, yet subtle changes, in the less acute child. Additionally, the course teaches all aspects of pediatric emergency nursing, including, but not limited to, pediatric trauma &/or resuscitation.

ENPC is the first course of its kind offered on an international level and is the only pediatric emergency nursing course written by pediatric nurse experts. It is also the only course that has the endorsement of a major nursing specialty organization with the purpose of providing a consistent and standardized knowledge base and approach among nurses caring for the pediatric patient.

Course Overview: ENPC is a 16-hour course designed to provide core-level pediatric knowledge and psychomotor skills needed to care for pediatric patients in the emergency setting. The course presents a systematic assessment model, integrates the associated anatomy, physiology and pathophysiology, and identifies appropriate interventions. Triage categorization and prevention strategies are included in the course content. ENPC is taught using a variety of formats including lectures and video as well as it includes skill stations that encourage participants to integrate their psychomotor abilities into a patient situation in a risk-free setting.

- The Pediatric Patient
- Initial Assessment and Triage
- Respiratory Distress and Failure
- Cardiovascular Emergencies
- Medical Emergencies
- Child Maltreatment
- Toxicologic Emergencies
- Pediatric Trauma
- Crisis Intervention
- The Neonate
- Stabilization and Transport

Target Group: Registered Nurses who work with critically ill pediatric patients

Fee: SMH employees: none Non-SMH: \$200.00 (includes textbook)

Facilitators: Certified ENPC Instructors

Date/Time/Location:

September 11 & 12, 2008 0830-complete Conf Rooms A&B

March 12 & 13, 2009 0830-complete Conf Rooms A&B

To register for any course please call (307) 672-1022

Fetal Heart Monitoring (A.W.H.O.N.N.)-Intermediate Course

This course is designed for registered nurses with a minimum of **six** months clinical nursing experience using fetal heart monitoring technology in an intrapartum setting. Participants are expected to already possess basic knowledge and related skills in the following areas:

- Maternal physiologic changes of pregnancy
- Fetal growth and development
- Methods of fetal monitoring
- Preparation of patient for set-up and initiation of external or internal fetal monitoring
- Obtaining and maintaining tracings that document fetal heart rate and uterine contractions
- Interpretation of uterine contraction frequency, duration, and baseline resting tone
- Identification of the baseline fetal heart rate, variability and deviations
- Indicated clinical interventions
- Communication and documentation standards

At the conclusion of this workshop, participants should be able to:

- Demonstrate the decision-making process necessary for the proper selection and verification of fetal heart monitoring techniques.
- Analyze fetal heart rate patterns and their implications for fetal well-being.
- Correlate indicated clinical interventions with related maternal-fetal physiology.
- Describe the role and responsibility of the professional nurse in the use of FHM in intrapartum care.
- Simulate the psychomotor skills used in FHM.
- Communicate verbal and written data to verify accountability.

This two-day workshop earns 18 contact hours and 15.25 CMEs.

Facilitators: Certified AWOHNN FHM Instructors

Fee: SMH Employees: none

Non-SMH: \$200.00

Dates:

Dec. 1 & 2, 2008 Conference Room B Time: 08-4P

July 30 & 31, 2009 Conference Room B Time: 08-4P

To register for any course please call (307) 672-1022

Health Net®

Health Net® is a web-based education tool for use by employees of SMH to gain Continuing Education Units (CEUs) as needed through out the year. Based out of the Texas Tech University Health Science Center, this program provides numerous courses for current health topics for all health disciplines including:

- Nursing (California State Board of Nursing)
- Social Work (accredited NASW)
- Physical Therapy (accredited by several state accrediting agencies)
- Physician (accredited ACCME)
- Administration (accredited for pre-approved Category II (non-ACHE))
- Nurse Aide
- Occupational Therapy
- Dietitian, Dietary Manager (accredited CDR, TDA, CBDM)
- Clinical Laboratory Science (accredited PACE)
- EMS & EMS Personnel (accredited CECBEMS)
- Medical Records, Coders, Billers (accredited AHIMA)
- Radiology Tech (accredited ASRT)
- Respiratory Therapy (accredited AARC)
- Pharmacy (accredited ACPE)
- Also 3 non accredited disciplines: Required Safety, Patient Education, Support Staff

Our hospital pays a monthly fee to have access to this program. The web site for Health Net® is:
[https://www.ttuhscc.edu/health.edu/\(S\(3jhfda45fyicsq55sa4mxybs\)\)/Default.aspx](https://www.ttuhscc.edu/health.edu/(S(3jhfda45fyicsq55sa4mxybs))/Default.aspx) .

It is also saved as a "Favorite" on any of our SMH computers with internet access. Go to the internet icon, scroll down on the Favorites menu to "Health Net" and the sign in page will be displayed. **You can also take the web address to your home computer to access Health Net® from home.**

Site number for SMH is 493. You should have been assigned an ID number in New Employee Orientation and set your own pass word. Please call X1021 if you need assistance, or the 1-800-424-4888 X257 Health Net Customer Service line. They can give you your password or ID as needed if you provide the site number.

Courses can be web-streamed from the website, printed in manuscript format from the website, or loaned from the DVD library (contact X1021). All corresponding post tests (to gain credit) will be accessed via the web site.

In the Know® Monthly Inservice for CNAs

Purpose: This monthly self-study module is available in 5 locations through out SMH. Complete the module by reading it and handing the post-test in to the drop box outside the Education Bulletin board (1st floor). Corrected post tests will be returned to your employee mailbox in the month following.

****Keep track of your post tests as each one fulfills 1 Contact Hour for education****

Locations: Med/Surg breakroom, Home Care dept (Saunders Bldg), Surgical Services breakroom, Women's Health breakroom, Education bulletin board (1st floor outside Pharmacy).

Moderate Sedation In-House Certification Course

Purpose: This SMH in-house certification of completion course is designed to teach/review with nursing staff moderate sedation agents, monitoring principles and standards of care for patient safety.

Completion of this course may require participants to complete a preceptored experience in the Endoscopy or O.R. Department of SMH.

Pre Requisite: Current BLS and ACLS or PALS certification.

Target Group: RNs who administer and/or monitor patients who have had procedural sedation agents.

Facilitator: Clinical Nurse Educator

Fee:

SMH Employees: none

Non-SMH: \$75.00 (note: specific policy information will refer only to SMH)

Dates/Times/Location:

October 28, 2008	0900-1P	Conf Room B
May 28, 2009	0900-1P	Conf Room B

Moderate Sedation-Annual Review Self-Study

Purpose: Registered Nursing staff who participate in moderate sedation procedures and who have completed the Moderate Sedation in-house certification class must complete some form of on-going education for moderate sedation yearly. There are 2 options for you to choose from: 1) Health Net® web course "Sedation Principles" or 2) SMH self-study module.

SMH Module can be signed out for a 7-day period from the Clinical Nurse Educator's office. Please reserve by calling 672-1021. A post-test is included with the module and a copy of the completed post-test will be forwarded to your employee HR Record.

*If you choose the Health Net® option please print off a copy of your certificate of completion and give it to your nurse manager who will forward it onto our HR department for your employee record.

"Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has." -Margaret Mead

Neonatal Resuscitation Program (NRP)-Provider Level Certification/Renewal

Purpose: To provide healthcare professionals the skills necessary to resuscitate a newborn infant. This is a 2-year certification course based on the American Heart Association standards.

Prerequisite: Pre-reading is required and manuals can be signed out by the Nursing Supervisor's Office: 1st Floor room 120. Call 672-1021 or 672-1179.

Course components include: an exam, *taken on-line prior to the course and testing of 1 "mega-code" station at the conclusion of the course.

Target Group: Health Care professionals who care for newborns- MD, RN, LPN, I, EMT-P, EMT-I, EMT-B, RTs

Facilitator: NRP Certified Instructors

Fee:

SMH Employees: none

Non SMH:\$75.00

Dates/Times/Location:

October 16/2008 0730-1530h Nursery (*unless otherwise notified)

January 15/2009 0730-1530h Nursery (*unless otherwise notified)

April 16/2009 0730-1530h Nursery (*unless otherwise notified)

***For on-line testing instructions please refer to resource on Women's Health unit or call the Clinical Nurse Educator at 672-1021. Your password for the website will be sent to you. You'll have 14 days to access the website to take the exam.

NRP Exam can be accessed at:

PCEP- Perinatal Continuing Education Program

Purpose: PCEP is an educational program for physicians, nurses, nurse midwives and practitioners, respiratory therapists, and all others who care for pregnant women or newborn babies. It has a nearly 30-year history of providing practical, useful, cost-effective perinatal education to hospital-based care providers.

PCEP is a comprehensive educational program designed to be offered as outreach education by regional medical centers to participating hospitals in their geographic regions or network of affiliated hospitals.

Target Group: MD, NP, PA, RN, RT, LPN, CNAs, EMT-P

This is a partnership between Denver Children's Hospital and SMH.

Our PCEP coordinators are: Jennifer Chenoweth and Linda Schwabauer. Barry Wohl, MD is our medical representative.

PCEP course runs from Sept/08-March/09

Date/Time/Location:

****Nursing staff: Please watch for posters and other communications coming to applicable areas.

S.T.A.B.L.E. Course

Purpose: The S.T.A.B.L.E. Program is the first neonatal continuing education program to focus exclusively on the post-resuscitation/pre-transport stabilization care of sick newborns.

Course Overview: S.T.A.B.L.E. targets the post-resuscitation care of sick neonates and is, therefore, considered by many experts to be the follow-up, complementary program to the American Academy of Pediatrics' Neonatal Resuscitation Program (NRP). S.T.A.B.L.E. serves as a concise educational tool to organize the myriad of details necessary to stabilize and care for sick infants.

Manuals can be signed out from the Nursing Supervisor's Office: 1st Floor room 120. Call 672-1021 or 672-1179.

Target Group:

Any health caregiver involved with post-resuscitation and/or pre-transport care of sick newborns:

- **Physicians:** Pediatric, ER and family practice physicians including Residents
- **Nurses:** RNs working in L&D, postpartum, nursery, ER, Nurse midwives, Nurse Practitioners, LPNs and nursing assistants
- **Others:** Respiratory therapists, Pre-hospital providers - EMTs, Paramedics

Facilitator: Certified S.T.A.B.L.E. Instructor(s)

Fee:

SMH Employees: TBA

Non-SMH: \$75.00

Trauma Nursing Core Course (TNCC) - Provider Level

Purpose: TNCC is a two-day course designed to provide core level trauma knowledge and psychomotor skills associated with the delivery of professional nursing care to the trauma patient. The course includes a written exam (80% pass) and testing of 3 skill stations. Upon successful course completion, participants will receive a TNCC certificate valid for 4 years.

Program Overview:

- Biomechanics and mechanism of injury
- Stabilization, transfer and transport
- Patient assessment using the trauma nursing process
- Brain and craniofacial trauma
- Thoracic and neck trauma
- Psychosocial aspects of trauma care
- Spinal cord and vertebral column trauma
- Musculoskeletal trauma
- Burn trauma
- Shock

Pre Requisites: Participants must hold a current RN license. ***Pre-reading is required.** Manuals available for sign out from the Nursing Supervisor's office: (1st Floor room 120, across from Pharmacy). Call 672-1179 or 672-1021.

Target Group: RNs working in the Emergency Department or staff deemed appropriate by their Nurse Manager. LPNs may audit the course.

Facilitators: Certified TNCC Instructors

Fee:

Unit Coordinator National Exam Prep Class

This 2 session tutorial class is targeted to those staff working as a Health Unit Coordinators (HUC) at SMH in preparation for writing the national certification exam. Location for exam is Billings, MT.

Course Objectives:

- ❖ Perform UC tasks and provide accountability to nursing personnel, medical staff, other hospital departments, patients and visitors
- ❖ Operate the nursing unit communication systems, including computer terminal, telephone, fax, copier, printer and locator system
- ❖ Record diagnostic test values, vital signs, and census data
- ❖ Order daily diets and daily lab tests
- ❖ File reports on patients' charts
- ❖ Transcribe doctors' orders using basic knowledge of anatomy and physiology, disease processes, medical terminology, and accepted abbreviations
- ❖ Perform non-clinical tasks required for patient admission, transfer, discharge, and preoperative and postoperative procedures
- ❖ Listen to patient and visitor complaints and concerns, and use problem-solving skills
- ❖ Maintain nursing unit supplies
- ❖ Maintain patient charts, collect charges each night
- ❖ Practice within the professional ethical framework of health unit coordinating
- ❖ Schedule radiology procedures that require patient preps
- ❖ Communicate effectively with patients, visitors, and members of the health care team

Facilitators: Sue Bohm, Diane Hobson and Debra Popp.

Fees:	No fee for SMH staff \$100.00 for non-SMH	Limit of 5 registered for each session Textbooks can be signed out by calling x1179 or X1021

Wyoming Workforce Grant Information-Workplace Development Training Fund Program

SMH has been able to obtain funding through the above program. We will continue to access this valuable resource in future fiscal years as funding remains available. The website address is below:

<http://wyomingworkforce.org/wdtf/>

If applying for a grant, please have your manager assist you in this process allowing us to have a streamlined approach to applications. Your manager has access to SMH's user ID and password for this system as well as the information necessary to complete an application. Applications for funding can be applied for 45-100 days prior to the first day needed for training. Most applications will use the "existing position" application form.
