

Gratitude Report

2019 Annual Report

Message from our Board President

My Foundation story is one of kindness and care at Sheridan Memorial Hospital. Four years ago, we moved my parents to Sheridan so that my father could receive healthcare in one location. From Cardiology to ICU, Transitional Care to end

of life, the collaborative team never ceased to amaze me with knowledge and genuine acts of kindness. The Sheridan Memorial Hospital Foundation puts your generous contributions to work to support excellent patient-centered care for every person who walks through our doors. I am proud to be a member of this board, our community, and appreciate the effect your gifts have on our hospital.

100% of your gifts to the Sheridan Memorial Hospital Foundation go towards the intended patient care projects.

Equipment

Tele-ICU

Sheridan Memorial Hospital recently installed new telehealth communication equipment in its Intensive Care Unit (ICU). This technology keeps patients close to home and improves patient outcomes.

Cath Lab & Cardiology

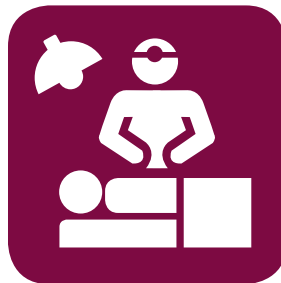

The new hands-free system installed in the Catheterization Lab earlier this year decreases risk for infection and creates a safer environment for everyone. Projects such as this ensure that your contributions improve patient care throughout your hospital.

Surgery

SMH saw a **30%** increase in urology patients in our OR over the prior year.

Patients requiring specialized urology care, now have the best technology available with a new video ureteroscope.

Education

Patient Support Programs

After undergoing surgery, The Welch Cancer Center Breast Boutique provides free mastectomy fittings, bras, and prosthetics to help lighten the burden for patients during their cancer journeys.

Clinical Scholarships

This year, 16 nurses and clinical staff members at Sheridan Memorial Hospital received funding for educational scholarships, conferences, and specialty program development. In addition, two group scholarships were funded; Cardiac Heart Failure Education and a Lactation Course.

Community Education

Recently, our team collaborated with Home Care and Hospice to develop The Family Handbook of Hospice Care. From understanding available care to navigating the hospital journey, this book provides important information and resources to all patients and families who utilize these hospital services.

Patient Comfort

Hospice Family & Inpatient Rooms

Hospice Manager Ann Aksamit describes the new Hospice and Family Inpatient rooms as “respite and relief to families and caregivers. This allows for privacy and solitude for all loved ones in a more comfortable atmosphere thanks to the renovations made possible by The Foundation.”

Family Consultation Room – Med Surg

Thanks to employee philanthropy, space has been renovated and will be available for patient, family and physician consultations. It is a welcome addition, centrally located near patient rooms on our main floor.

More than 70% of SMH employees gave to our Partner Program, making these renovations a reality in 2019

GAP Funds

GAP Funds support a patient's greatest time of need. Our case management team distributes these funds to assist our patients in offsetting the costs of crucial and immediate care. This extra support helps ensure a smooth recovery and eases financial burdens in areas such as medication assistance, home oxygen, transportation and clothing.

Special Projects

ICU

Life is unpredictable. An Intensive Care Unit is often not noticed or appreciated until you or your loved one needs immediate access to critical care and specially trained staff.

In 2019 **332** patients were discharged from our ICU.

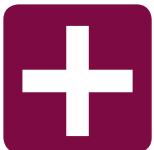

Watt Dialysis Center

The Bishop Endowment continues to provide patients with life-saving care. Thanks to this endowment, other donor gifts and the specialty care team, 2,694 treatments have been provided in the Watt Dialysis Center this year.

Critical Care

Philanthropy makes critical care possible in our rural community. Your donation assists with basic supplies and the latest in healthcare innovations. Your contributions have transformed thousands of lives.

10,750 visits were made to our Griffith Emergency Department in the past year

Partners

Employee Partner Program

Tracy and Lee have given to the Foundation through our Employee Partner Program since it began more than 15 years ago. In 2018, Employee Partners gave more than \$40,000 to help enhance excellent patient-centered care in your community hospital.

Auxiliary

Keeping the traditions alive while paving the way for our future, the Auxiliary helps celebrate, enhance and innovate care at SMH. Contributions from this year's Auxiliary \$23,500 donation benefited and improved care in five different departments within our organization.

Physician Feature – Dr. Gill

“Working in such a special place, I realize firsthand how far a dollar can go in a rural community. As a community member, I also appreciate excellent health care and I am thankful to The Foundation for creating opportunities to make that happen.” We congratulate and thank Dr. Lawrence Gill, a donor since 1993, for his excellence in service and philanthropy to our community.

Events

Link

The mission of our Pink Partners ensures our community knows cancer screening and early detection save lives. Over 2,000 individuals, family foundations, and businesses have come together to donate, remember, and support our loved ones – bringing the 10 year contribution of The Link to more than \$710,000.

Golf

Our 2018 Tournament raised more than \$25,000 to support patient care in seven hospital departments. These priority projects help ensure safety and quality of care at our hospital.

Trees of Love

For 30 years, the Hospital Auxiliary's Trees of Love event has been a heartwarming way to acknowledge loved ones. In 2018, more than \$6,000 in donations went towards patient care projects, in five departments, that help our hospital patients.

Future Projects

Project Heartbeat

PROJECT HEARTBEAT 
WORKING WITH OUR
COMMUNITY TO SAVE LIVES

A generous \$150,000 gift from the William F. and Lorene W. Welch Foundation is the initial donation toward our \$300,000 equipment campaign goal to support the purchase of innovative and lifesaving cardiology equipment for Sheridan Memorial Hospital.

Health Talk Series for You

This fall, we kicked off a new community education series – Health Talk. Health Talks will highlight topics, issues and awareness to keep our community members empowered in all aspects of their lives. Stay tuned to attend and learn more.

Caring for our Community

With 100% of the funds raised staying here in Sheridan, The Foundation dedicates its efforts solely to advancing the mission of Sheridan Memorial Hospital: “To serve our community with excellent patient-centered care.”

Ways to Give

Annual Giving

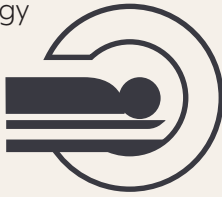

Since 1988, Dr. David & Patty Schultz have made it a priority to give back to The Foundation. Not only is SMH appreciative of their consistent contributions, but we wouldn't thrive without the hundreds of volunteer hours and service excellence they have dedicated to your community hospital.

Capital Equipment Campaign

1,304

MRI Procedures were completed by our Radiology Department in the past year

Through campaign efforts, The Foundation works to raise funds for continuous innovation and technology that allows confident and timely diagnosis, right here at home. With contributions to our new MRI Suite, you have changed the course for thousands of families by keeping their care at home.

Planned Giving

As many look to leave a legacy, planned giving provides opportunities for strategic giving over a period of time. Planned gifts often come monetarily or in the form of an asset, like that of Dave and Karen Nicolarsen. When they are gone, a portion of their estate will help with Hospital projects and programs. Their generosity will change lives and healthcare in this community for years to come.

Community

Foundations

Community Foundations lay the groundwork for our organization to thrive and support Sheridan and surrounding areas. Without these working Foundation boards, and their members' tireless efforts, our rural hospital would not have the means to operate the way it does today.

The following Foundations have supported substantial projects at SMH that include, but are not limited to: **Patient Wing, Griffith Emergency Department, Welch Cancer Center, Watt Dialysis Center, ICU, MRI, Mammography and Cancer Screening, and Patient Care Improvement Projects**

Vernon & Rowena Griffith Foundation	Faye Gibb Silla Trust
Lorraine S. Husman Trust	Daniels Fund
The Helmsley Charitable Trust	Kiewit Companies Foundation
The Joseph H. & Arlene Watt Foundation	E. K. and Grace B. Morrow Estate
Norman Hill Estate	MDU Resources Foundation
William F. & Lorene W. Welch Foundation	BNSF Foundation
Schuchert Foundation	Wyoming Community Foundation
Homer A. & Mildred Scott Foundation	Walter Scott Foundation
E. Ogborn Family Trust, Bank of Hawaii	Gabelli Foundation II
Paul Shields Estate	Jack L. Webb Trust
Robert Bishop Estate	The John & Helen Ilsley Foundation
Herbert G. and Dorothy Zullig Foundation	Anonymous
Joe F & Roberta Napier Foundation	Kiewit Royalty Trust
Whedon Cancer Detection Foundation	Pauline V. Clark Estate
Leonard Graham, Trust	Gerald F. & Rose M. Kaul Foundation
Chester C Sniveley Trust	Kelly Schreiber Memorial Foundation
B.F. & Rose H. Perkins Foundation	Harry and Thelma Surrena Memorial Fund
Wayland H. Cato Jr Foundation	Nicholson Family Foundation
EYAS Foundation	Robert & Eleanor Demple Family Foundation
First Interstate BancSystem Foundation	Burns Family Foundation
Edwin T. Meredith Foundation	Homer A. & Janet E. Scott Foundation
Nickerson Family Foundation	Roberts Family Foundation
Dan & Jeanne Scott Foundation	Patricia L. Ward Trust

Corporate Sponsors

In 2019, Community Businesses, Foundations, and Leaders have committed to a yearlong partnership with our organization. Contributions go toward supporting healthcare for our community. Below you will find our Platinum and Gold Sponsors for the The Foundation.

The Sheridan Memorial Hospital Foundation makes every effort to provide accurate recognition of our donors. If you feel there has been an error or omission, please contact the Foundation Office at 307.673.2417 so that we may correct our records.

Thank You!

As the Director of Donor Relations and Chief Development Officer at Sheridan Memorial Hospital, we Thank You for considering a gift.

Please use our enclosed gift envelope or go online to sheridanhospital.org/foundation for future contributions.

Annual financial reports may be found on the website.

We look forward to hearing from you soon. – Ada and Cody

PO Box 391 | Sheridan, WY 82801
