

Gratitude Report

2020 Annual Report

Message from our Board President

My first visit to Sheridan Memorial Hospital was at 1 am on June 14, 1942. Possibly this is why my wife Elaine says I remain today an early-morning person.

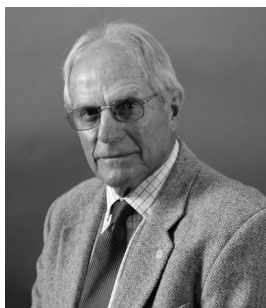

Since then, like many of you, I have visited the hospital for tonsillectomy, appendectomy, two knee replacements, and a major back surgery. Throughout my life I watched our hospital continue to grow along with our community and its healthcare needs. This doesn't happen without forward thinking leadership and dedicated contributors like you.

My gratitude extends to all of the doctors, nurses, administrators, and each SMH employee and volunteer. Each individual, along with community philanthropy,

helps to financially support SMH and keep the hospital moving forward. I am proud to lead The Foundation board in support of the hospital's vision & mission, focused on the same excellent patient-centered care I first received in 1942.

Gratefully,

Richard Story Garber, Sr.
Foundation Board President

YOUR CONTRIBUTIONS IN 2019 – 2020

Equipment

The Lab

Your COVID-19 and membership gifts support provided funds to purchase a BioFire FilmArray analyzer. This new technology streamlines testing for many types of infections and diseases. Our physicians utilized this tool immediately. They are grateful to have access to a quick and comprehensive assessment.

ER & ICU

THE LEONA M. AND HARRY B.
HELMSLEY
CHARITABLE TRUST

The Leona M. and Harry B. Helmsley Charitable Trust grant purchased two LUCAS mechanical cardiopulmonary resuscitation devices for the Griffith Emergency Department and Intensive Care Unit. The LUCAS devices deliver a safe, reliable option to provide chest compressions.

Respiratory Therapy

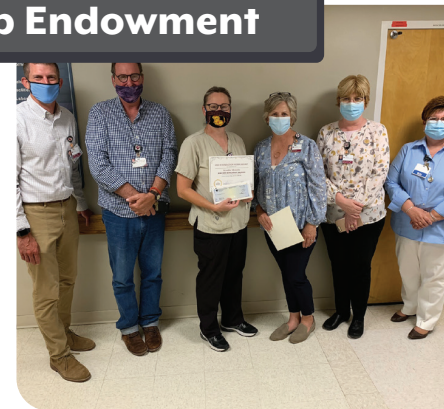

A generous gift from the Sheridan Pilot's Association delivered funding to immediately purchase two repurposed ventilators during the COVID-19 pandemic this spring. This additional equipment ensures our respiratory therapists are able to provide vital lifesaving patient care.

Education

Clinical Scholarship Endowment

This year 16 clinical scholarships were awarded for specialty training and education. Congratulations to Jennifer Meineke, our 2021 Cato Scholar Awardee who received \$5,000 to support her educational goals. Jennifer plans to graduate from Sheridan College in 2021.

Cardiology Care

Improving patient success for Cardiac Heart Failure (CHF) is a priority at our hospital. Clinical staff members have access to on-line, interactive CHF recognition training. Our Clinical Endowment funded this hospital-wide opportunity through your donor contributions.

Diabetes Education and Support

The Hospital's diabetes goal is to help educate you and your family about prevention and successful management of diabetes. Through your contributions, we provide supplies and testing assistance for many qualifying patients.

COVID-19 Community Support

Andy Quinn

WYO Strong Virtual Racer Andy Quinn supported us this year by completing his first ever half marathon as a way to say thank you to our hospital. Andy not only completed the race with 100 pounds strapped to his back, he raised \$7,573.05 to support community healthcare.

Kim & Mary Kay Love

Kim and Mary Kay Love are known for their philanthropic hearts and generous contributions throughout Sheridan. During the uncertain times of COVID-19, the Loves donated Frackelton's gift cards, which helped keep our team energized during and after long, unpredictable days.

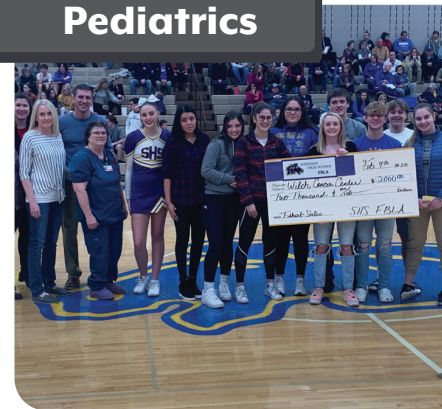

Best Western Sheridan Center

The Best Western Sheridan Center & Bistro 307 provided a safe place to stay and delicious food for high-exposure frontline workers throughout COVID-19. They offered their services to our staff, ensuring the safety of our team members and their loved ones.

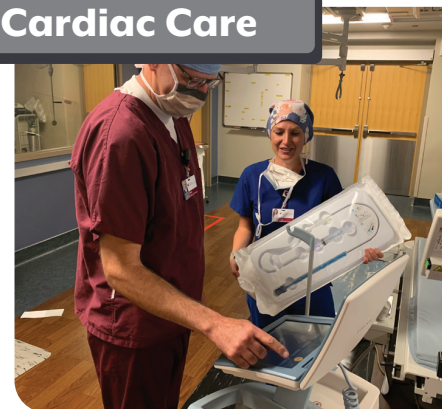

Special Projects

Pediatrics

Last fall, Sheridan High School Future Business Leaders of America (FBLA) students took action to better the community they live in through their philanthropic efforts. These driven students raised \$2,000 for the Welch Cancer Center and an additional \$2,000 for Pediatrics.

Cardiac Care

In January 2020, your contributions exceeded the \$300,000 goal for Project Heartbeat. An initial \$150,000 matching gift from the William F. and Lorene W. Welch Foundation launched the campaign for the lifesaving Cardiac Catheterization Lab equipment.

Rheumatology

2019 Employee Partner funds went toward specialty equipment in SMH's new Rheumatology Clinic. Dr. Ben Widener now provides this valuable specialty to our community. We are grateful to welcome this new service, with only 5,000 of these specialists in the US.

Partners

Employee Partner Program

Over 70% of SMH Employees gave to The Foundation through our Partner Program in the last year.

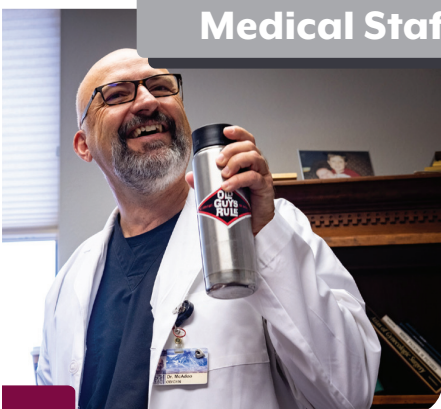

In 2019, 513 staff members donated to our unique employee philanthropic program through biweekly payroll deductions. This rate of participation represents our staff's commitment to SMH and our patients.

Kennon

In early March, Kennon Products met with SMH to produce medical-grade PPE for staff. Kennon also collaborated with a community donor to produce mask kits. Additionally, Kennon made a generous contribution to the COVID-19 Care Fund to immediately meet our greatest needs.

Medical Staff

"As a Women's Clinic physician, I love my work and team – all the doctors, nurses, and 700 staff that make up our patient experience." We appreciate Dr. Gregg McAdoo's leadership and philanthropy in support of every aspect of patient care since he arrived at SMH 10 years ago.

Events

Link

You contributed more than \$56,000 through the 2020 Virtual Link – Partners in Pink. All proceeds went toward Comfort Care Funds for our patients and families at the Welch Cancer Center. Your support provides this vital care and healing to cancer patients in our community.

Golf

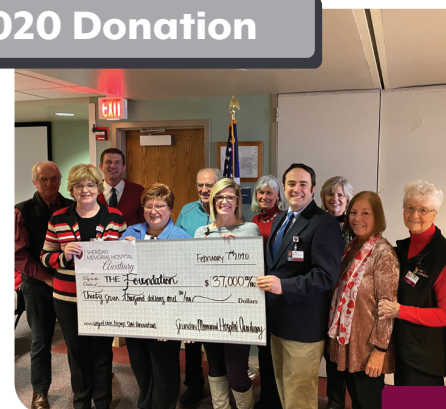

The 2019 golf tournament event sponsors, volunteers, and donors raised \$23,000 to provide critical COVID supplies, our hospital's area of greatest need.

Hole-in-♥ne for Healthcare

Auxiliary 2020 Donation

The Auxiliary Board's mission "to provide comfort to and better the welfare of SMH's patients," was felt throughout the hospital. Their 2019 donation of \$37,000 supported Respiratory Therapy, Urgent Care, and Patient and Family Waiting Rooms.

Future Projects

What is Transitional Care?

A Transitional Care Unit (TCU) provides a recuperative and supportive place to heal following an injury, surgery, or serious illness. The TCU plays a pivotal role in protecting the most risk-averse population in our community. From changes to one's daily schedule to the adjustments necessary to return home – your TCU care team of nurses, doctors, and therapists manage transitions and help you or your family member regain a level of independence for a safe return home.

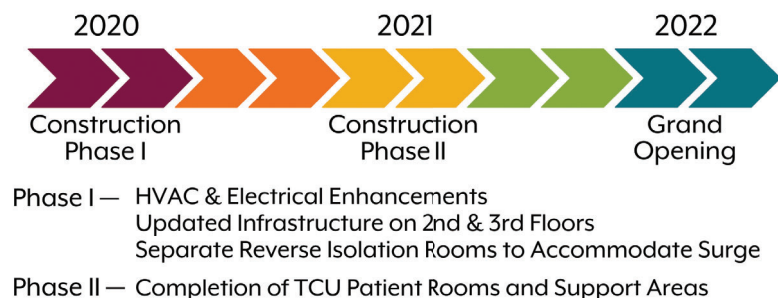

Transforming Transitional Care

The Foundation looks forward to supporting the Hospital's expansion of the TCU, which will:

- Meet community and regional demand for patient care
- Ensure patients have a place to recuperate before returning home
- Provide 20 comfortable private suites with private bathrooms
- Keep the TCU operational during a pandemic

We look forward to talking to you about TCU!

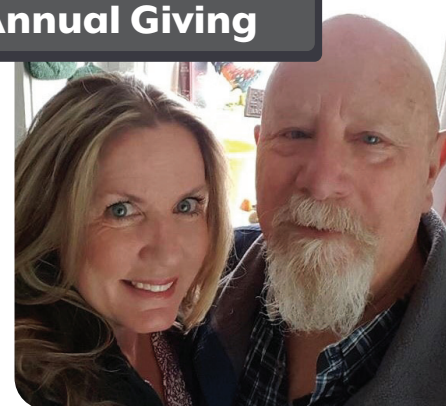

Anticipated Expansion Timeline

Leaving a Legacy

Annual Giving

In May of 2015, Jack Wood lost his daughter, Dana Marie, to ovarian cancer. Jack and his wife Kathleen give of their time and annual gifts to honor Dana and provide access to screenings and cancer care. "Get screened, spread the word, or donate," says Jack. "We can, we will, we must!"

Monthly Giving

The Foundation now easily accepts recurring gifts to benefit the donor's choosing. This option allows you to designate a hospital program or department, and to make a gift occur when it is most convenient for you and your family.

1,151 Total Donors in FY19-20

Planned Giving

In 2001, Dr. Jerry Saunders created a Charitable Remainder Annuity Trust naming The Foundation as beneficiary. His forethought ensures the Saunders Building will support healthcare in the community where he practiced for generations to come.

Perhaps one of the finest ways to honor one's legacy or recognize a loved one's memory is with a gift to The Foundation. Honorees, families, or loved ones are notified when gifts are received. These special donations leave a legacy and help support healthcare for our community.

Sponsors

Corporate Sponsors

In 2020, Community Businesses, Foundations, and Leaders committed to a yearlong partnership with our organization. Contributions go toward supporting healthcare for our community. Below you will find our Platinum and Gold Sponsors for the The Foundation.

Platinum

Gold

Thank You!

As the Director of Donor Relations and Chief Development Officer at Sheridan Memorial Hospital, we Thank You for considering a gift.

Please use our enclosed gift envelope or go online to sheridanhospital.org/foundation for future contributions.

Annual financial reports may be found on the website.

We look forward to hearing from you soon. – Ada and Cody
