

SHERIDAN  
MEMORIAL HOSPITAL

## Transitional Care

Sheridan Memorial Hospital's 2nd and 3rd floors house our new Transitional Care Unit which includes **20 comfortable private suites**, each with its own bathroom. Complete with a private dining area and spacious therapy gym with striking views of the Big Horn Mountains in a 15,600 square foot space.

Our team approach to transitional care includes:

- » 24/7 Nursing Care
- » Physical, Occupational & Speech Therapy
- » Respiratory Therapy
- » Case Management & Social Services
- » Dietary Planning & Nutritional Counseling
- » Wound Care
- » Fall Prevention
- » Coordinated Activities
- » Collaboration with Home Care for a Smooth Transition Home
- » Discharge Planning
