

Coffee Talk

Last Wednesday of each Month – 5:30 to 6:30 pm

Welch Cancer Center Conference Room - 1585 West 5th Street

At the Welch Cancer Center, we are committed to providing the best care possible to our patients. This not only includes medical treatment but also care of the emotional and social aspects of having a cancer diagnosis.

As we do not offer a traditional “support group” led by a trained clinician, we have created a new group called *“Coffee Talk.”* Many of our patients have expressed the positive impact of making connections with other cancer survivors or other patients undergoing treatment.

The goal of *Coffee Talk* is to create a safe and nurturing space for our patients to come and make such connections. It is our hope that creating social contacts in our community will help our patients endure the many challenges, both physical and emotional, that come with a cancer diagnosis.

Coffee Talk will meet at the Welch Cancer Center conference room on the last Wednesday of every month from 5:30 to 6:30 pm.

Attendees are encouraged to RSVP prior to each meeting to:
