SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage, or if the employer stops contributing towards your or your dependents' other coverage. However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). To be eligible for these Special Enrollment rights you must have completed a waiver when you were first eligible stating that you were declining because of other group health insurance coverage.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. In the case of marriage, eligible individuals must submit their enrollment forms prior to the effective dates of coverage in order for salary reductions to have preferred tax treatment from the date coverage begins.

TRADITIONAL PPO MEDICAL PLAN

WHAT YOU PAY AND WHAT THE PLAN PAYS

The below Summary of Benefits shows how much you pay for care, and how much the plan pays. It's a brief listing of what is included in your benefits plan. For more detailed information, see the summary plan description.

After you pay your annual deductible and/or any up-front copays, the plan begins to pay a percentage of your provider's charges, for example 80%. The remaining percentage, for example 20%, is your responsibility – your “out-of-pocket” costs. You're protected from financial hardship by a maximum out-of-pocket amount each year – the most you'll have to pay before the plan covers costs at 100%(excluding non-covered expenses and expenses above reasonable and customary charges).

WYOMING

An independent licensee of the Blue Cross and Blue Shield Association

SAVE WHEN YOU SEE NETWORK PROVIDERS

This plan offers a Preferred Provider Organization (PPO), a network of doctors and other healthcare professionals who have agreed to accept lower amounts than their standard charges. These lower amounts are negotiated and pre-determined. That means when you see a PPO provider, your share of costs is based on a lower charge – so your costs are lower, too. PPO providers are conveniently located in both urban and rural areas. Remember: If you go outside the PPO network, you may still have benefits, but our share of costs will be higher, and the amount you pay will not be based on a lower rate.

HEALTH SAVINGS ACCOUNTS (HSA)

What is an HSA? (Only available with HDHP)

An HSA is an account that can be funded by you with pre-tax dollars. The HSA helps pay for eligible medical expenses not covered by an insurance plan, including the deductible, coin-surance, and prescriptions.

2026 IRS Contribution Limits for HSAs

Individual	\$4,400
Family	\$8,750
Catch-Up Contribution (Age 55+)	\$1,000

HOW HSA WORKS – CONTRIBUTIONS CAN BE UPDATED AT ANY TIME

If you are choosing the HDHP, determine which HSA bank you would like for your HSA funds. Rocky Mountain Reserve is an online option with investment options. First Federal is a local option. Both banks set up the HSA like a checking account. Participants can make contributions to HSAs up to the allowable IRS limits. The funds can earn interest and be withdrawn at any time to cover qualified medical expenses. Unlike a flexible spending account, there is not a “use-it-or-lose-it” rule. The account will automatically roll over year-after-year. It is an individual account; if you change health plans or jobs, the balance is yours to keep.

WHEN DO I USE MY HSA?

After visiting a physician, facility, or pharmacy, request they submit your claim to your Health Plan for payment. You should make sure your provider has your most up-to-date insurance information. Once the claim has been processed, any out-of-pocket expenses will be billed. Always ask that your claim be submitted to the health plan before you seek HSA reimbursement. This will ensure provider discounts are applied. Also, remember to keep all medical receipts and Explanation of Benefits (EOBs) to support your personal tax record. You can choose to save your HSA dollars for future medical expenses.

Select your HSA bank, open an account and notify HR asap with your account information

PRESCRIPTION DRUG BENEFIT

The annual deductible includes non-preventive prescription drugs. If you have the High Deductible Health Plan you pay 100% of the cost of your prescription until you have met your medical deductible, per the plan summary. Thereafter, you pay your copay up to the combined medical and prescription drug out of pocket maximum. If you have the Traditional PPO Health Plan your deductible is waived, and you pay a percentage of the cost plus a copay up to the maximum out of pocket amount based on the plan summary.

You can fill up to a 90-day supply prescription at any network pharmacy or Prime Therapeutics home delivery pharmacy. You can use Prime Therapeutics to search for a network pharmacy for your 90-day supply fills.

ADDITIONAL SAVINGS THROUGH PAYDHEALTH

Specialty prescriptions require prior authorization. Paydhealth may contact you with alternate funding information. When alternate funding is available you may pay as little as zero dollars for your medications.

DEFINED CONTRIBUTION RETIREMENT PLAN

The SMH retirement plan offers full-time and part-time benefitted employees a powerful way to save for retirement. Employee contributions can be made on a pre-tax or post-tax (Roth) basis directly from the employee's bi-weekly paycheck. Retirement contributions and investment earnings in the plans are tax-deferred, so they have the potential to compound and substantially grow over time. The sooner you begin saving for retirement, the better!

To assist our employees in reaching retirement savings goals, SMH matches employee 457(b) retirement plan contributions. The matched funds are put into the 401(a) retirement plan. The hospital's contribution match grows based on the employee's years of service.

EACH EMPLOYEE WILL HAVE TWO DEFINED CONTRIBUTION RETIREMENT PLANS:

457(b) Plan: Employee Contributions	401(a) Plan: SMH Matched Contributions										
Employee contributions are deposited into the 457(b) plan.	SMH matched contributions are deposited into the 401(a) plan.										
The 457(b) is most similar to a traditional 401(k) that many people are accustomed to.											
New employees are auto-enrolled at 6%. Each year, employee contribution amounts will be auto-adjusted. Employees who contribute at or above matched percentage are auto-increased 1% each year up to 10%. Employees may update the contribution percentage or opt out at any time throughout the year at Infor Employee Space ("Defined Contribution Change" life event) or at www.Principal.com .	SMH matches 100% of employee retirement contributions, up to the following salary percentage limits (or IRS limits) determined by the employee's years of service: <table><tr><td>0 - 4.99 years</td><td>= 6%</td></tr><tr><td>5 - 9.99 years</td><td>= 7%</td></tr><tr><td>10 - 14.99 years</td><td>= 8%</td></tr><tr><td>15 - 19.99 years</td><td>= 9%</td></tr><tr><td>20 or more</td><td>= 10%</td></tr></table>	0 - 4.99 years	= 6%	5 - 9.99 years	= 7%	10 - 14.99 years	= 8%	15 - 19.99 years	= 9%	20 or more	= 10%
0 - 4.99 years	= 6%										
5 - 9.99 years	= 7%										
10 - 14.99 years	= 8%										
15 - 19.99 years	= 9%										
20 or more	= 10%										
Employee contribution maximum for 2026, per IRS: \$24,500 during the 2026 calendar year \$8,000 catch-up contribution if age 50 or over	*NOTE: The IRS now requires catch-up contributions to be offered as Roth contributions for participants whose wages for 2025 exceeded \$145,000. Please determine pre-tax catch-up contribution eligibility before contributing.										
Employees can choose whether to contribute 457(b) funds on a pre-tax basis or Roth (post-tax) basis. Contact D.A. Davidson or your tax advisor to determine whether the pre-tax or Roth option may be best for you.	Employees have the option of contributing unmatched non-Roth after-tax dollars to the 401(a) account in addition to the employer matched funds. Do NOT contribute your own funds to the 401(a) plan unless you have maximized your allowable contributions FIRST into the 457(b) plan!										
100% vested immediately – your contributions to the 457(b) are always yours and are not subject to any vesting or forfeiture provision.	Funds into the 401(a) account are vested after three years of employment.										
Rollover contributions into the 457(b) are allowed from other "like" plans, such as 401(k), IRA, etc. Contact D.A. Davidson or Principal for assistance.	Rollover contributions into the 401a are not allowed. Any employee non-Roth post-tax contributions into the 401a can be rolled out of the account at any time and into an Individual Retirement Account (IRA) for "Super Roth" benefits. See D.A.Davidson for details or assistance.										
No more than 1 loan is allowed at a time from the 457(b) Plan. Visit Principal.com for loan amount information or to initiate a loan.	No more than 1 loan is allowed at a time from the 401(a) Plan. Visit principal.com for loan amount info or to initiate a loan.										
Withdrawals are not allowed until an employee is no longer employed by SMH, unless employee is age 59 ½ or older. This plan does not allow hardship withdrawals.	Withdrawals are allowed for employees age 59 1/2 or older. Under certain circumstances, Hardship withdrawals are permitted for accounts that are 100% vested.										
Upon leaving employment from SMH, Principal will send a notification to the employee's home address regarding SMH retirement plan options.											
Visit www.Principal.com to view interactive retirement planning tools, plan summary documents, account summaries, and plan investment options. D.A. Davidson on Main St. in Sheridan is also available to assist with retirement planning at no additional cost to SMH employees.											

New employees are auto-enrolled in 6% retirement contributions.

Help Protect What Matters – You, Your Family & Your Future

We understand you've worked hard to get where you are today. Ensuring your loved ones can maintain financial stability if an unexpected death should occur is something to consider when planning for the future.

WE'VE GOT YOU COVERED

As an active employee of Sheridan Memorial Hospital, you have access to a life insurance policy from United of Omaha Life Insurance Company.

It replaces the income you would have provided, and helps pay funeral costs, manage debt and cover ongoing expenses.

HOW MUCH INSURANCE IS ENOUGH?

When determining how much life insurance you need, think about the expenses you may encounter now and through every stage of your life.

Coverage guidelines and benefits are outlined in the chart below.

ELIGIBILITY - VOL LIFE

Eligibility Requirement	All Physicians: 120 hours per month. All Other Employees: 36 hours per week
Dependent Eligibility Requirement	To be eligible for coverage, your dependents must be able to perform normal activities, and not be confined (at home, in a hospital, or in any other care facility), and any child(ren) must be under age 26. In order for your spouse and/or children to be eligible for coverage, you must elect coverage for yourself.
Premium Payment	The premiums for this insurance are paid in full by you.

COVERAGE GUIDELINES

	Minimum	Guarantee Issue	Maximum
For You	\$10,000	5 times annual salary, up to \$150,000	\$500,000, in increments of \$10,000, but no more than 5 times annual salary
Spouse	\$5,000	100% of employee's benefit, up to \$35,000	100% of employee's benefit, up to \$250,000
Children	\$10,000	100% of employee's benefit	100% of employee's benefit, up to \$10,000

Subject to any reductions shown below. Guarantee Issue is available to new hires. Amounts over the Guarantee Issue will require a health application/evidence of insurability. For late entrants, all amounts will require a health application/evidence of insurability.

BENEFITS	
Life Insurance Benefit Amount	Within the coverage guidelines defined above, you select the amount of life insurance coverage you want. This plan includes the option to select coverage for your spouse and dependent children. Children include those, up to age 26. In the event of death, the benefit paid will be equal to the benefit amount after any age reductions less any living care/accelerated death benefits previously paid under this plan.
Accidental Death & Dismemberment (AD&D) Benefit Amount	For you, your spouse and your dependent child(ren): The Principal Sum amount is equal to the amount of the life insurance benefit. AD&D coverage is available if you or your dependents are injured or die as a result of an accident, and the injury or death is independent of sickness and all other causes. The benefit amount depends on the type of loss incurred, and is either all or a portion of the Principal Sum. Married couples who both work full-time at SMH are eligible to be covered under the employer-issued Life and AD&D plan as an employee and a dependent of the other employed spouse. Under the voluntary Life and AD&D coverage, however, married couples who both work full-time at SMH are only eligible to be covered as employees, not as both an employee and a dependent of the other employed spouse. Only one eligible spouse may cover eligible children as insured dependents.
FEATURES	
Living Care/ Accelerated Death Benefit	80% of the amount of the life insurance benefit is available to you if terminally ill, not to exceed \$400,000.
Waiver of Premium	If it is determined that you are totally disabled, your life insurance benefit will continue without payment of premium, subject to certain conditions.
Annual Benefit Amount Increase	If you enroll for even the minimum amount of coverage during your initial enrollment, you have the ability to enroll for additional coverage at your next enrollment by up to \$20,000, provided the total amount of insurance does not exceed your maximum benefit amount. This feature allows you to secure additional life insurance protection in the event your needs change (ex. you get married or have a child). Amounts over the Guarantee Issue will require evidence of insurability (proof of good health).
Additional AD&D Benefits	In addition to basic AD&D benefits, you are protected by the following benefits: - Seat Belt - Airbag - Common Carrier - Paralysis - Repatriation
Portability	Allows you to continue this insurance program for yourself and your dependents should you leave your employer for any reason, without having to provide evidence of insurability (information about your health). You will be responsible for the premium for the coverage.
Conversion	If your employment ends, you may apply for an individual life insurance policy from Mutual of Omaha without having to provide evidence of insurability (information about your health). You will be responsible for the premium for the coverage.
AGE REDUCTIONS AND EXCLUSIONS	
Insurance benefits and guarantee issue amounts are subject to age reductions: - At age 70, amounts reduce to 50% Spouse coverage terminates at age 70. Life insurance benefits will not be paid if the insured's death is the result of suicide within two years from the date coverage begins. If this occurs, the sum of the premiums paid will be returned to the beneficiary. The same applies for any future increases in coverage under this plan. Information about the AD&D exclusions for this plan will be included in the summary of coverage, which you will receive after enrolling. Please contact your employer if you have questions prior to enrolling.	

Voluntary Term Life and AD&D Coverage Selection and Premium Calculation

Please note that the premium amounts presented below may vary slightly from the amounts provided on your enrollment form, due to rounding.

To select your benefit amount and calculate your premium, do the following:

- 1) Locate the benefit amount you want from the top row of the employee premium table. Your benefit amount must be in an increment of \$10,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.
- 2) Find your age bracket in the far left column.

- 3) Your premium amount is found in the box where the row (your age) and the column (benefit amount) intersect.
- 4) Enter the benefit and premium amounts into their respective areas in the Voluntary Life and AD&D section of your enrollment form.

If the benefit amount you want to select is greater than any amount in the table below, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want. For example, if you want \$150,000 in coverage, you obtain your premium amount by multiplying the rate for \$50,000 times 3.

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT

The Dependent Care Flexible Spending Account (FSA) is a great way to save money by paying for certain dependent care expenses tax-free. The money you contribute is deducted from your paycheck before taxes are deducted, which lowers your taxable income and means lower taxes for you. You pay for eligible expenses using the FSA debit card, or you may use another form of payment and request FSA reimbursement.

Eligible expenses may include care at licensed daycare centers, day camps, or afterschool care for dependent children under age 13 and/or dependents who are physically or mentally unable to care for themselves. Note that the dependent care FSA does not cover medical expenses.

If your spouse is unemployed or doing volunteer work, you cannot set up a dependent care FSA. You must meet the following criteria in order to set up this account:

- You and your spouse both work;
- You are the single head of household; or
- Your spouse is disabled or a full-time student

Each year the IRS allows you to contribute the following amounts, depending on your family status:

- If you are single, the lesser of your earned income or \$7,500
- If you are married, you can contribute the lesser of:
 - Your (or your spouse's) earned income; or
 - \$7,500 if filing taxes jointly or \$3,750 if filing taxes separately

TIME AWAY FROM WORK

Paid Time Off (PTO) – Upon hire, employees with Full-Time or Part-Time Benefits (PTB) status are eligible to accrue PTO. PTO may be used for vacation, sick time (in lieu of EIB availability), SMH designated holidays, and personal business days. The PTO is accrued based on regular worked hours and length of service, up to the employee's budgeted FTE. PTO hours cap at 320 hours.

The accrual schedule is as follows for eligible employees:

EMPLOYEE STATUS	Less than 1 Year of Employment	1 Year and Less than 5 Years of Employment	5 Years and Less than 10 Years of Employment	Over 10 Years of Employment
FULL-TIME & PTB	0.0770 PTO Hours Accrued Each Hour Paid	0.0846 PTO Hours Accrued Each Hour Paid	0.0962 PTO Hours Accrued Each Hour Paid	0.1154 PTO Hours Accrued Each Hour Paid
	Equals Approx. 160 Hours or 4 weeks/yr. for FT	Equals Approx. 176 Hours or 4.4 weeks/yr. for FT	Equals Approx. 200 Hours or 5 weeks/yr. for FT	Equals Approx. 240 Hours or 6 weeks/yr. for FT

*** The accrual schedule for PTO and EIB shown here may be superseded by an employment contract.**

SMH designated holidays are: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. PTO is applied for time off due to holiday office closures, if applicable, unless employees choose to apply office closure days toward the six unpaid days per year.

Extended Illness Bank (EIB) – Upon hire, employees with a full-time or part-time benefit status accrue 0.0346 hours of EIB for each hour paid up to 40 hours worked each week. EIB may be used by an employee to take paid leave from work for the employee's own injury, illness or serious health condition. EIB hours cap at 720 hours.

Family Medical Leave Act (FMLA) – FMLA grants an eligible employee up to 12 work weeks of unpaid leave during any rolling 12-month period. To be eligible, an employee must have been employed by SMH for at least 12 months and worked at least 1,250 compensable hours during the 12 consecutive months immediately preceding the first day of leave.

FMLA may be taken for the following reason(s):

- The birth of a child and to bond with the newborn child within one year of birth;
- The placement with the employee of a child for adoption or foster care and to bond with the newly placed child within one year of placement;
- A serious health condition that makes the employee unable to perform the functions of his or her job;
- To care for the employee's spouse, son, daughter, or parent who has a serious health condition;
- Any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on covered active duty.

Eligible spouses who are both employed by SMH are entitled to a total of 12 work weeks of leave between them, as outlined in the FMLA regulations, when the leave is for the birth and care or placement of a child. *Employees are responsible for benefit premiums incurred while on leave.

Leave of Absence (LOA) – Employees who are not eligible for FMLA time off may request a LOA for personal or medical reasons. An approved LOA period cannot exceed 60 days. Employees may use any available PTO or EIB (if applicable) for a LOA.

Bereavement Leave – Employees may be allowed paid bereavement leave not to exceed a maximum of three working days for a death in the immediate family. Immediate family for the purpose of bereavement leave includes, spouse, children, parents, brothers, sisters, grandparents, and spouse's immediate family. Employees are eligible for bereavement leave on the date of hire.

Jury Duty Leave – Employees receiving summons for jury duty are granted time off with pay to perform their civic duty. Full and part-time employees are paid their regular hourly wage for their scheduled time to work that is spent on jury duty.

Military Leave – An employee of SMH who leaves his or her job for voluntary or involuntary service in the uniformed services, upon giving notice, is granted an unpaid military leave of absence. It is the policy of SMH to pay the employee the difference between hospital earnings and military pay if the military pay is less than that which would be earned through working at SMH.

Visit the SMH Employee Leave Policy for additional details regarding time off. Benefits pertaining to time off are subject to change with or without notice at the discretion of the organization, and in compliance with local and federal statutes.

OTHER BENEFITS AND DISCOUNTS

SMH HOSPITAL & CLINIC SERVICES DISCOUNT
