---

### Why Contact Webroot Customer Service?

- **Quick and personalized assistance:** Speak directly to an expert who can troubleshoot your specific issue.
  - **Subscription help:** Manage renewals, cancellations, or refunds with ease.
  - **Technical support:** Get step-by-step guidance for installation, virus removal, and error resolution.
  - **Billing and payment support:** Resolve payment issues or update your account information.
  - **Available 24/7:** Support is ready whenever you need it by calling **1-888-319-8519**.
- 

### How to Contact Webroot Customer Service by Phone

#### Step 1: Dial 1-888-319-8519

The quickest way to get help is to call **1-888-319-8519**, Webroot's official customer service number. This toll-free line ensures you do not pay any charges when calling within the USA.

#### Step 2: Navigate the Phone Menu

When you call, you'll hear an automated voice menu. For fast access to a live agent, press "0" or say "representative" when prompted. If these options don't work immediately, follow the menu prompts carefully.

#### Step 3: Have Your Information Ready

Before calling, gather your Webroot product key, account email, and any details about the issue you're facing. Clear information will help the agent resolve your problem efficiently.
