

October 31, 2024

Dear Amy Ligocki, CPCS, CPMSM,

I would like to introduce myself. I am Brian Erdmann, MD. I am a board-certified internal medicine physician from northern Wisconsin looking for a part time internal medicine job opportunity in Wyoming beginning mid-March 2025, after my current locum assignment ends.

My wife and I have been in private practice as internal medicine physicians for twenty of the past 25 years. We are looking forward to the next phase of our lives and would like to finish our careers and eventually retire in Wyoming. As such, I am exploring job opportunities in Wyoming.

What would be optimal to me is a part time position that would allow me to experience a career and life in Wyoming while still being able to routinely travel back to northern WI to spend time with my wife who will be closing our practice over the next 2 years.

Ideally, a job-sharing position with another provider who is looking for a part time position similar to what I am looking for (such as 2 weeks on, 2 weeks off) would allow me to do that and potentially allow you to retain another provider who may be wanting to cut back but not retire yet. However, I am very open to discussing other options to meet your organizational needs as well. Please contact me if you would like to explore potential opportunities that may work for both of us.

Sincerely,

Brian Erdmann, MD

Brian Erdmann, MD
